

## POSTGRADUATE BURSARY / SCHOLARSHIP OPPORTUNITIES DEPARTMENT OF RESEARCH CAPACITY DEVELOPMENT

This booklet provides a list of the major funding opportunities available for postgraduate studies at the Nelson Mandela University, South Africa. Some of the funding opportunities listed in this booklet are administered by the Research Capacity Development (RCD) department located on the South Campus, Main Building, 13th Floor. However, other opportunities are administered by external bodies and students are therefore encouraged to visit the useful websites provided in this booklet.

The RCD department encourages students to regularly check their student emails for updates on available postgraduate bursary / scholarship opportunities.

Students may also view the latest opportunities from the RCD's website:

<http://rcd.mandela.ac.za/Master-s-and-Doctoral-Student-Funding/NMMU-funded>

Opportunities are also posted on our Facebook webpage:

The Research Capacity Development (RCD) office is located within the Research and Engagement (R&E) division. RCD focuses its activities around:

- the development of new and emerging researchers
- providing access to funding opportunities for postgraduate students (Honors, Master's and Doctoral).

We recognize that life has more to offer than just studies and we are also interested in equipping tomorrow's leaders – young adults who are going to set the academic, professional and artistic agenda of the future. Whether you are from South Africa, other parts of Africa or overseas, we embrace the quality and diversity of students who come to Nelson Mandela University. Scholarships and bursaries we offer are one of the ways Nelson Mandela University/RCD can support you to achieve your goals.

The table below summarizes the scholarships and bursaries described in this booklet.

## **OFFICIAL PROVISIONS FOR BURSARIES / SCHOLARSHIPS AND IMPORTANT INFORMATION**

1. Your student number must appear in **ALL** correspondence.
2. For external bursary/scholarship applications, an official academic record (on Nelson Mandela University letterhead) must be attached. Should any qualification have been obtained at another university, the relevant academic records must accompany the application form.
3. It is your responsibility to ensure that all sections of the application form are thoroughly completed and that the necessary documents are attached. Incomplete and late applications will automatically be disqualified.
4. Bursaries/Scholarships administered by Nelson Mandela University are usually paid out in two installments – one per semester, following receipt of a satisfactory progress report.
5. Nelson Mandela University reserves the right to claim reimbursement of the bursary/scholarship amount awarded to a student if the student does not successfully complete their studies.
6. Before applying for an externally funded scholarship opportunity, make sure that you meet the minimum requirements set by such an organisation and attach the required documentation to the application letter/form.
7. Research Capacity Development usually sets an “internal” closing date for scholarships offered by national statutory bodies (e.g. NRF and Councils) in order that applications may be validated in time for the “official” closing date. It is your responsibility to ensure that you know which closing date applies to you and that your application is handed in on time.
8. Ad hoc scholarship opportunities are posted on the Nelson Mandela University Student Portal as well as RCD’s Facebook page. It is your responsibility to look at this notice board regularly.
9. Research Capacity Development communicates with students via **MEMO-student email**. Students are expected to check their **MEMO-student email** addresses regularly.
10. Postgraduate bursaries/scholarships are not awarded automatically. Please refer to the Nelson Mandela University’s policy on the awarding of bursaries and scholarships.
11. Although great care has been taken in the compilation of this brochure, the university cannot accept responsibility for any inaccuracies that may occur.
